Burning Regulations

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Auburn Fire Department for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 a.m. and after 5:00 p.m. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storms

A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 p.m. and 8:00 a.m. or at any time in such manner as to impede snow removal operations.

B. Any vehicle parking in violation of Section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating Section A hereof shall be subject to a penalty not to exceed twenty-five ($25.00) dollars for each offense.

Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen ($15.00) dollars for each offense.

TOWN OF AUBURN

To The Residents of Auburn:

Auburn enjoyed a productive and prosperous 1998. We were successful in reducing our tax rate while maintaining a quality level of services to the community. A lot of this credit is to be shared by all the residents of Auburn who have given of their time and talent by serving on the various boards and commissions in Town. It is through their voluntary efforts that much of the town's services are provided. Additional help is always needed to foster the voluntary spirit that keeps Auburn thriving. Step forward, Volunteer and Serve -- Your Help is Needed !!!

Our Road Reconstruction Program is moving along quite well. We re-constructed the bridge on Pingree Hill Rd with the state paying 80% of the total cost. Bunker Hill Road has been reconstructed from Lover's Lane southward to Route #121 near the Chester line. The final coating will be applied in the spring after having weathered one New Hampshire winter. The Highway Safety Committee has decided to finish Bunker Hill Rd northward from Lover's Lane to Rt. #121 on the Town Hall side. Once this project is completed, Pingree Hill Rd will be the next road to be reconstructed in 1999.

A major clean up project was accomplished on the property commonly referred to as the Rifle Range. During the fall of 1998 the Army Corps of Engineers removed lead and other contaminants from the berms on the Rifle Range. The area has been given a clean bill of health by the Corps with all tests indicating negative for other pollutants. This was accomplished at no cost to the town.

I am pleased to report that the AIDC is in the midst of negotiations for the sale of the Rifle Range property. We have entered into a purchase and sales agreement with an industrial developer and are working at finalizing the details. Once the property is sold it becomes a taxable asset to the Town rather than non tax paying as it has been since mid 1960's. Additionally, as the area is developed, additional sources of revenue to the town will be realized.

The new Boat Launch on Rt. # 121 should be open and operational this spring. The Manchester Water Works did a wonderful job in cleaning and stumping the area. We will put the finishing touches on this spring. This new launch areas, it is hoped, will reduce the hazardous condition that exists at Severance Beach area by removing turning boats and trailers from the proximity of the road. This project was the recommendation of the Highway Safety Committee and we thank them for their concerns and effort.

FIFTH: To see if the town will vote to raise and appropriate the sum of $6,500.00 for the purchase of an Accu-Vote ES-2000 optical scan vote tabulator to be used for vote tabulation at town/state elections and town meeting. (By Petition) (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

SIXTH: To See if the Town will vote to abolish the Auburn Police Commission, effective upon passage of this article. (By Petition)

SEVENTH: Shall we adopt the provisions of RSA 31:95-c to restrict Ninety One Thousand, Two hundred Seventy Nine ($91,279.00.) Dollars of revenues from State Highway Block Grant Aid for the purpose of road reconstruction. Such revenues and expenditures shall be accounted for in a special revenue fund and added to the existing Highway Reconstruction Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Included in the Budget)

EIGHTH: To see if the Town of Auburn will raise and appropriate the sum of Two Hundred Eight Thousand Seven Hundred Twenty -One ($208,721.00)Dollars to be added to the Highway Reconstruction Fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

NINTH: To see if the Town of Auburn will vote to raise and appropriate $35,000 for the future revaluation of the municipality. This amount to be added to a Capital Reserve Fund established for this purpose. (Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee) (Not Included in the Budget)

TENTH: To see if the town will vote to amend the existing agreement under Section 218 of the Social Security act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than $1,000.00. The $1,000.00 limit on the excludable amount of

remuneration paid in a calendar year for the services specified in this modification will be subject to adjustment for calendar years after 1999 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years in accordance with Section 218(c)(8)(B) of the Social Security Act. (Recommended by the Board of Selectmen)

ELEVENTH: To see if the Town will vote to raise and appropriate the sum of up to Two Hundred Fifty Thousand ($250,000.00) Dollars for the closure of the Town's Solid Waste Facility, with said sum to be reimbursed through revenues received from Waste Management of New Hampshire, Inc., a private source. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

TWELFTH: Shall we adopt the provisions of RSA 31:95-c to restrict up to $250,000.00 of revenues from reimbursement payments designated by Waste Management of New Hampshire, Inc. for the costs of closure of the Town's Solid Waste Facility to expenditures for the purpose of both paying for, and reimbursing the Town for, the costs of closure of the Town's Solid Waste Facility? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Solid Waste Special Revenue Fund, separate from the general fund. Any surplus in the fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Majority vote required for passage) (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

THIRTEENTH: To see if the Town will authorize the Selectmen to expend up to $250,000.00 of the revenue accounted for in the Solid Waste Special Revenue Fund and received from Waste Management of New Hampshire, Inc., a private source, for the closure of the Town's Solid Waste Facility. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)

FOURTEENTH: To see if the Town will vote to authorize the Board of Selectmen to negotiate for and accept an offer to sell, and to convey, without any requirement of competitive bidding, the parcel of land owned by the Town, identified as Map 6, Lot 18, consisting of 140 acres more or less of land, and known as the "Rifle Range" property and further to impose such terms and conditions on sale as they deem to be in the best interests of the Town, and to reject any terms, conditions or offers on sale as they deem to be in the best interests of the Town, also to reject any terms, conditions or offers for sale deemed unacceptable by the Board of Selectmen, provided that the sale price shall not be less than $1,000,000.00 and any such sale shall be subject to restrictive covenants and conditions regulating development of the parcel for the benefit of the Town. (Recommended by the Board of Selectmen)

FIFTEENTH: To see if the Town will vote to adopt the provisions of NH Revised Statutes Annotated Chapter 162-G, so as to allow the Town to foster and encourage the development of industrial facilities within its boundaries acting through a voluntary nonprofit public corporation to be formed under the provisions of NH RSA 162-G:15, and NH RSA 292:1 et seq., alone or in concert with one or more other governmental units, by acquiring, developing, expanding, leasing and disposing of such facilities. (Recommended by the Board of Selectmen)

SIXTEENTH: To see if the Town will vote to authorize the Selectmen to incorporate and establish the Auburn Development Authority, a voluntary, nonprofit public corporation to be formed under the provisions of NH RSA 162-G:15 and NH RSA 292:1 et seq., for the purpose of taking advantage of the provisions of NH RSA 162-G:1 et seq., in order to foster and encourage industrial development within the industrial zones in the Town of Auburn; to authorize the Board of Selectmen to appoint six directors to serve a three year term, with the terms of the initial directors to be staggered so that 1/3rd of the directors will be appointed each year. (Recommended by the Board of Selectmen)

SEVENTEENTH: To see if the town will vote to approve the transfer to the Auburn Development Authority of 1/2 of 1% of the net proceeds received by the Town in the event of a sale of the Rifle Range Property in accord with Article 14 for the purpose of encouraging business development in the commercial and industrial zones of the Town. (Recommended by the Board of Selectmen)

EIGHTEENTH: To see if the Town will vote to dissolve the Auburn Industrial Development Corporation, a voluntary nonprofit corporation formed under the provisions of NH RSA 292:1-17 and the now repealed provisions of NH RSA 162-J:16, and upon its dissolution to transfer all of its assets to the newly formed voluntary nonprofit corporation known as the Auburn Development Authority, and to provide that, upon the eventual dissolution or liquidation of such corporation, all of its assets shall vest in and be distributed to the Town to take appropriate action relative thereto. (Recommended by the Board of Selectmen)

NINETEENTH: To see if the Town will vote to authorize the Selectmen, in the event that the Rifle Range property, Tax map 6, Lot 18, is not conveyed to the proposed buyer, in accord with Article 14, to convey the property to the newly formed Auburn Development Authority to be used by the corporation for those purposes authorized by RSA 162-G:1, et seq. (Recommended by the Board of Selectmen).

TWENTIETH: To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand ($25,000.00) Dollars for use by the Auburn Development Authority or other appropriate authority for engineering, assessing, legal and other fees and costs associated with the sale of the Rifle Range Property and for the encouragement of the development of industrial uses in the Town of Auburn. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

TWENTY-FIRST: To see if the Town will vote to authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.

TWENTY-SECOND: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

TWENTY-THIRD: To see if the Town will vote to use the income of the H. B. Burnham Fund for the schools or library.

TWENTY-FOURTH: To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

TWENTY-FIFTH: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

TWENTY-SIXTH: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.

TWENTY-SEVENTH: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

TWENTY-EIGHTH: To transact any other business that may legally come before the meeting.

Given under our hands and seals this Eighth day of February A.D. 1999

6. Are you in favor of the adoption of Amendment No. 6, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 6.09 Appeals to Board of Adjustment to add a new paragraph incorporating the requirements of NH RSA 676:6 as follows: The effect of an appeal to the board shall be to maintain the status quo. An appeal of the issuance of any permit or certificate shall be deemed to suspend such permit or certificate, and no construction, alteration, or change of use which is contingent upon it shall be commenced. An appeal of any order or other enforcement action shall stay all proceedings under the action appealed from unless the officer from the appeal is taken certifies to the board of adjustment, after notice of the appeal has been filed with such officer, that, by reason of facts stated in the certificate, a stay would, in the officer's opinion cause imminent peril to life, health, safety, property, or the environment. When such a certification has been made by the enforcing officer, the officer's enforcement proceedings shall not be stayed other than by a restraining order which may be granted by the board or by the Superior Court on notice to the officer from whom the appeal is taken and cause shown. **YES 389 NO 158**

7. Are you in favor of the adoption of Amendment No. 7, as proposed by the Planning Board , for the Town Zoning Ordinance as follows:

Amend Article 6.11 Motion for Rehearing to add language in the first sentence incorporating to provisions of NH RSA 677:2 as to when the twenty (day) time period for filing a Motion for Rehearing commences, to state as follows:

Within 20 days after any order or decision of the Zoning Board of Adjustment *has been filed and first becomes available for public inspection in the office of the Board,* the Selectmen, any party to the action or proceedings, or any person directly affected thereby may apply for a rehearing in respect to any matter determined in the action or proceeding, or covered or included in the order, specifying in the motion for rehearing the ground therefor; and the Board may grant such rehearing if in its opinion good reason therefor is stated in said motion. **YES 426 NO 122**

8. Are you in favor of the adoption of Amendment No. 8, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 6-ADMINISTRATION AND ENFORCEMENT to add a new section 6.15 Appeals to Superior Court, which incorporates the language of NH RSA 677:9 as follows: The filing of an appeal with the Superior Court shall not stay any enforcement proceedings upon the decision appealed from, and shall not have the effect of suspending the decision of the Zoning Board of Adjustment, unless the appealing party has been granted a restraining order by the Superior Court.**YES 377 NO 179**

9. Are you in favor of the adoption of Amendment No. 9, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 7.07 VIOLATIONS AND PENALTIES, subsection 2, to read as follows:

2. Failure to comply with any provision of this Ordinance, any specific conditions and safeguards established by the Board of Adjustment in granting a variance or special exception, or any condition or requirement of Site Plan or Subdivision approval of the Planning Board, shall cause the violator to be liable for a fine not to exceed $275.00 for each day such violation continues unabated after the remedy of the same is ordered by the Building Inspector. **YES 352 NO 193**

~~~~~~

On Saturday, March 14th, the moderator opened the reconvened meeting with the pledge of allegiance at 1:45 P.M. (Delayed from 1:00 P.M. due to the long line waiting to enter the meeting.) There were 448 registered voters in attendance. Each voter was checked in on the checklist and given a voter card to be used when a hand vote was called, and a yes/no tear off card for any secret ballot.

The moderator gave the rules of the meeting, which gave time limits and rules for those wishing to speak; five registered voters may request a secret ballot vote before vote is taken; a vote may be taken to restrict reconsideration of any article. He read the results of the ballot voting on Tuesday.

All newly elected officers present were sworn in by the town clerk.

ARTICLE FIVE: To see if the Town will vote to raise and appropriate the sum of One Million Five Hundred Thousand ($1,500,000.00) Dollars or any other sum for the purchase of lands and the construction of a Safety Complex Facility consisting of the Police, Fire, and Town Offices; and for purchasing equipment and furnishings of a lasting character in connection therewith; and to authorize the issuance of not more than $1,500,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate in interest thereon; and to authorize the Board of Selectmen to take any and all actions necessary to carry out any vote thereunder; or to take any action relative thereof. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local, or private agencies that would benefit the Town. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)(2/3 vote required) (Polls will remain open for one hour)

Charles Kellett moved Article Five as printed. Seconded by Paula Marzloff. Discussion followed.

Carl Mayland moved to return this study to committee (he explained that he meant the original committee) with 2 stipulations. 1. No further architect fees, and 2. That the committee hold open hearings at 30 day intervals to inform the taxpaying public how they are progressing. Seconded by Brad Sargent. After further discussion, Earle "Sandy" Wingate moved the question. The assembly voted that they were ready to vote on the motion to return to study. **Motion failed.**

Jim Headd moved to put Article Five back on the floor. Seconded by Paula Marzloff.

Two hours of discussion ensued. Alan Cote moved the question. The majority were in favor of voting on the question and the moderator declared voting on Article Five open at 3:50 P.M. Voting was by paper ballot and the polls remained opened for one hour. The moderator closed the polls at 4:50 P.M. after a one minute warning. There were 417 ballots cast (2/3 would be 278).

YES 184 NO 233. Article Five Failed.

(NOTE: After everyone in the hall had voted on Article Five, the moderator stated that the polls would remain open until 4:50 P.M. for this article, and moved onto considering Articles Twelve thru Sixteen (housekeeping articles). Then Articles Six, Seven, Nine, Ten and Eleven were considered. Gail Christensen, Chairman of the Recreation Commission, requested consideration of Article Eight be delayed until results of Article Five voting were known.)

C. Donald Stritch, our Representative to General Court, addressed the assembly. He requested that anyone with ideas about how the funding of schools should be addressed by the state contact him within the next few months.

James Headd presented Paula Marzloff with a gift of appreciation from the town for her six-year tenure as selectman. Paula has volunteered her time since 1977, including budget committee, zoning board, and planning board. We are all grateful for her contributions to the town. Thank you, Paula!

ARTICLE SIX: To see if the Town will vote to pay a stipend to the members of the Auburn Fire Department in partial compensation for hours expended, and to appropriate the sum of $25,000. for the ensuing year for this purpose. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)

Article Six moved by Bruce Phillips, and seconded by Joe Cleaves. **Article Six passed.**

ARTICLE SEVEN: To see if the Town will vote to adopt the provisions of RSA 31:95-b, authorizing indefinitely, until specific rescission of such authority, the Board of Selectmen to apply for , accept, and expend without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source, which becomes available during the year. (A public hearing is required before such funds may be expended)

Albert Samson moved Article Seven as read. Jim Headd Seconded. **Article Seven passed.**

ARTICLE EIGHT: To see if the Town will vote to raise and appropriate the sum of $5,000 to prepare a Master Plan for the development of land adjacent to Sandy Acres Recreation Area, for recreational purposes. (Recommended by the Board of Selectmen) (Not
~~~~~~

recommended by the Budget Committee)

Even though Article Five results were not yet known, Gail Christensen moved to withdraw Article Eight. Seconded by Brad Sargent.

Motion to withdraw Article Eight passed and Article was withdrawn.

ARTICLE NINE: Shall we adopt the provisions of RSA 31:95-c to restrict Ninety Three Thousand, Two hundred Twenty Two ($93,222.) Dollars of revenues from State Highway Block Grant Aid for the purpose of road reconstruction. Such revenues and expenditures shall be accounted for in a special revenue fund and added to the existing Highway Reconstruction Fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Included in the Budget)

Jim Headd moved Article Nine as read and Paula Marzloff seconded. Jim explained that this is the gas tax received from the state. **Article Nine passed.**

ARTICLE TEN: To see if the Town of Auburn will raise and appropriate the sum of Two Hundred Six Thousand Seven Hundred Seventy Eight ($206,778) to be added to the Highway Reconstruction Fund. (Recommended by the Board of Selectmen) (Not recommended by the Budget Committee)

Jim Headd moved Article Ten and Paula Marzloff seconded. After limited discussion, Alan Cote moved the question. The majority assembled were ready to vote on Article Ten. **Article Ten passed.**

ARTICLE ELEVEN: To see if the Town of Auburn will vote to raise and appropriate $35,000 for the future revaluation of the municipality. This amount to be added to a Capital Reserve Fund established for this purpose. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Included in the Budget)

Article Eleven was moved by Paula Marzloff and seconded by Al Samson. **Article Eleven passed.**

ARTICLE TWELVE: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Patricia Allard moved Article Twelve and Dorothy Carpenter seconded. **Article Twelve passed.**

ARTICLE THIRTEEN: To see if the Town will vote to use the income of the H. B. Burnham Fund for the schools or library.

David Griffin moved that the income of the H. B. Burnham Fund be used for the library. Seconded by Bert Ouellette. **Article Thirteen passed as moved.**

ARTICLE FOURTEEN: To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

Article moved by Paula Marzloff and seconded by Al Samson. **Article Fourteen passed.**

ARTICLE FIFTEEN: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Eva Lunnie moved Article Fifteen as printed. Susan Jenkins seconded. **Article Fifteen passed.**

ARTICLE SIXTEEN: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by auction or sealed bid, with right to reject all bids.

Eva Lunnie moved Article Sixteen as printed. Alan Cote seconded. **Article Sixteen passed.**

Alex Komaridis moved to reconsider Article Five. The meeting for such reconsideration to be scheduled 30 days after this date, to permit Article 5 to be amended to permit the purchase of land for, and construction of, a police department, and if appropriate, sufficient land for construction of other town services and departments at a future date. The amended article to specify the amount required for such purchase and construction. Seconded by Raymond Bolduc. Mr. Komaridis was informed by the moderator, after consultation with town counsel, that only reconsideration of Article 5 as proposed today could be voted on. The article could be amended at the reconvened session. Mr. Komaridis and Mr. Bolduc withdrew their motion to reconsider.

John (Herb) Tardiff moved to reconsider Article 5. Seconded by James Headd.

Motion to reconsider Article Five was defeated.

ARTICLE SEVENTEEN: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

John Chambers moved $2,035,335.00 to raise and appropriate to defray town charges and legal obligations for the ensuing year. Seconded by Bruce Phillips. Vote was taken, and article passed as moved. **Two Million, Thirty-five Thousand, Three Hundred and Thirty-five Dollars ($2,035,335.00) was raised and appropriated to defray town charges and legal obligations for the ensuing year.**

This is all inclusive.

Albert Samson thanked all budget committee members for a job well done. He also expressed the town's gratitude for all those volunteers on boards and committees.

The moderator thanked John Chambers for his six year term on the budget committee and praised his work as chairman.

ARTICLE EIGHTEEN: To transact any other business that may legally come before the meeting.

Bruce Phillips moved to adjourn. Kim Sargent seconded. Meeting adjourned at 5:25 P.M.

Respectfully submitted,
NANCY H. GAGNON
Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Auburn
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Auburn as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Auburn has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Auburn, as of December 31, 1997, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Auburn taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Auburn. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Auburn School District Warrant State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 9th day of March 1999, at seven o'clock in the evening, to act upon the following subjects:

1. To accept the reports of agents, auditors and committees or officers chosen, and place them on file.

2. To see if the District will raise and appropriate the sum of twenty-five thousand dollars ($25,000) for the purpose of placing options on parcels of land, testing/evaluating the sites selected, and developing building plans sufficient to define programs, layout and costs for an elementary school which will include Kindergarten. Should this article pass article 3 and 4 will be withdrawn. (Recommended by the School Board) (Not Recommended by the Budget Committee)

3. To see if the District will vote to appropriate up to the sum of two hundred thirty-eight thousand three hundred ninety-five dollars ($238,395) and to raise by general taxation fifty-nine thousand five hundred ninety-nine dollars ($59,599) of that figure, for the purpose of constructing, furnishing, and equipping a new two classroom kindergarten addition to Auburn Village School and establishing a public kindergarten program for all eligible children of the Auburn School District. Projected cost to the Auburn School District is:

YEAR	EST. AMOUNT	TAX IMPACT
In 1999-2000	$59,599	$.30

This cost is eligible for 30% Building Aid. No cost in the ensuing years for construction. (Recommended by the School Board) (Not Recommended by the Budget Committee)

4. To see if the District will vote to raise and appropriate a sum of ninety-nine thousand one hundred eighty-eight dollars ($91,188) for the purposes of providing staff, materials, and supplies for a public kindergarten program to be located at the Auburn Village School. Said program will be open to all eligible children of the Auburn School District. A portion of these costs will be offset by Kindergarten Aid received from the State of New Hampshire in an amount equal to $750 for each child in attendance in the kindergarten program. (Recommended by the School Board) (Not Recommended by Budget Committee)

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents, and for the payment of statutory obligations of the District.

6. To transact any other business that may legally come before this meeting.

Given under our hands and seal at said Auburn, New Hampshire, this ___ day of February 1999.

Auburn School District Meeting
March 13, 1998

The Auburn School District Meeting was called to order at 7:00 p.m. on Friday, March 13, 1998, by Bruce A. Mason, Sr., School District Moderator. He delayed the start of the meeting until all registered voters had the opportunity to check in.

The Moderator led the meeting in the Pledge of Allegiance to the Flag of our Country.

Mr. Mason read the results of the Election which was held on March 10, 1998, with the following results:

School Board Member for Three Years	
Julie Gage	270*
Thomas Kellett	154
Richard E. Shackelton	148
Moderator for Three Years	
Bruce A. Mason, Sr.	542*
Clerk for Three Years	
Mary F. Griffin	558*
Treasurer for Three Years	
Richard P. Miller	497*

ARTICLE 5: Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the School District of the Town of Auburn? (By Petition) (3/5ths vote to adopt the article) (Not Recommended by the School Board)

Total voters registered: 628
Necessary to Pass: 377

YES – 225 **NO – 280**

Article 5 failed.

The Moderator introduced the following guests who were present: Damon Russell, Interim Superintendent; Steven Welford, Assistant Superintendent; Ronald Chapman, Business Administrator; Dr. Angelo Panteli, Interim Principal; Pamela Shepard, Assistant Principal; Christine Farrah, Special Ed Coordinator; and Mary Griffin, School District Clerk; Julie Gage, Kenneth Rhodes, and Joseph Leverone; School Board Members.

At this time Mr. Mason read the rules of the meeting and RSA 40:10 pertaining to reconsideration and restriction thereof.

The meeting proceeded with the reading of the Warrant Articles as follows:

ARTICLE 1: To accept the reports of agents, auditors, and committees or officers chosen and place them on file.

Julie Gage made a motion that the Article be accepted as printed. Seconded by Kenneth Rhodes. Article was passed as written.

ARTICLE 2: To see if the District will vote to approve the cost items included in the Collective Bargaining Agreement reached between the Auburn School Board and the Auburn Education Association, which call for the following increases in salaries and benefits:

Year	Estimated Increase
1998-99	$71,927
1999-00	$69,386
2000-01	$65,409

and further to raise and appropriate the sum of $71,927 (seventy-one thousand nine hundred twenty-seven dollars) for the 1998-99 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at the current staffing levels paid in the prior fiscal year. (Recommended by the School Board) (Recommended by the Budget Committee)

Motion was made by Kenneth Rhodes to accept the article as written. Seconded by Joseph Leverone. Mr. Rhodes explained the work that is done on the bargaining agreement with the Auburn Education Association and the results of that agreement. The increases will be 5%, 4.5%, and 4% over the three year contract period. The Moderator noted that a ballot vote had been called for by five registered voters. Discussion followed. Jim Trainor moved the question. Vote was taken as to voting on the question and was in the affirmative.

Results of the ballot vote was:

YES – 168 **NO – 91**

Article 2 passed.

ARTICLE 3: To see if the District will vote to appropriate up to the sum of $188,350, and to raise by general taxation $47,088 of that figure, for the purpose of constructing, furnishing, and equipping a new two classroom kindergarten addition to Auburn Village School and establishing a public kindergarten program for all eligible children of the Auburn

School District. Projected cost to the Auburn School District is:

Year	Est. Amount	Tax Impact
In 1998-1999	$47,088	$.24/1000
In 1999-2000 and ensuing years	-0-	-0-

(Recommended by the School Board) (Not Recommended by the Budget Committee)

Joseph Leverone made a motion to accept the article as written. Seconded by Kenneth Rhodes. Mr. Leverone explained the history of the kindergarten program and the State input. Mr. Leverone introduced Elaine Hobbs, a member of the study committee, who explained the construction with graphics, and plans for equipment, teachers, and supplies. Mr. Leverone explained further and answered concerns that had been brought before the committee. Lengthy discussion followed. Alan Cote moved the question and a ballot vote was taken. The results were as follows:

YES – 106 NO – 144

Article 3 failed.

ARTICLE 4: To see if the District will vote to appropriate a sum of $96,000 for the purposes of providing staff, materials, and supplies for a public kindergarten program to be located at the Auburn Village School. Said program will be open to all eligible children of the Auburn School District. A portion of this appropriation will be offset by Kindergarten Aid received from the State of New Hampshire in an amount equal to $750 for each child attending the kindergarten program. (Recommended by the School Board) (Not Recommended by the Budget Committee)

Joseph Leverone made a motion to withdraw the article. Seconded by Julie Gage. Motion passed. Article 4 was withdrawn.

ARTICLE 5: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents, and for the payment of statutory obligations of the District.

John Chambers, Chairman of the Budget Committee made a motion in the amount of $5,216,215.00 for the 1998-99 school year. Seconded by Julie Gage. Discussion followed.

Article 5 passed.

ARTICLE 6: To see if the District will raise and appropriate the sum of $2,500 to support the Odyssey of the Mind Program at the Auburn Village School. (Submitted by Petition)

Motion was made by Robin Perrin to accept the article as printed. Seconded by Allison Bowen. Eileen McDonald, OM Coordinator was called upon to explain the OM program. Discussion was held. Paul Whittemore moved the question. Seconded by MaryAnne Murray. Ballot vote was requested and taken with the following result:

YES – 129 NO – 82

Article 6 was passed.

ARTICLE 7: Shall we adopt the provision of RSA 40:13 to allow official ballot voting on all issues before the School District by petition (Required three/fifths majority). Also referred to as Senate Bill 2. (Submitted by Petition) (Not Recommended by the School Board) To be voted on by ballot on Election Day, March 10.

Because this Article was voted on by Ballot on March 10, 1998 at the Election of Officers, no action was taken at this meeting.

ARTICLE 8: To transact any other business which may legally come before this meeting. Kenneth Rhodes moved the Article. Seconded by Julie Gage. Motion passed. Carl Mayland moved to limit reconsideration of Articles 3 and 4. Seconded by Lewis Theos.

Vote was called and Article 8 passed.

Richard Miller made a motion to adjourn the meeting. Seconded by Bert Ouellette.

Meeting adjourned at 10:25 p.m.

Principal's Report

August 27, 1997 marked the first day of school for 589 students at Auburn Village School. Staff members had spent much of the summer preparing for the coming school year. A special orientation for new students was held on August 26th to welcome them to our family. In order to make room for the growing number of first graders, an eighth grade class was eliminated and a first grade class added. Dr. Angelo Panteli continued as Principal and Mrs. Pamela Shepard as Assistant Principal for the school year supported by an experienced and dedicated staff. We welcomed back Mrs. Sherri Smith who returned from a leave of absence to her second grade class. New members of the educational community included: Mr. Eric Fairweather, eighth grade teacher, Mrs. Margaret Schlauch, eighth grade teacher, Mrs. Deborah Capistran, seventh grade teacher, and Mrs. Terry Seavey, Food Services Staff. Several changes within the experienced teaching staff helped to improve our programs: Mrs. Gail Boucher moved to second grade, Mrs. Doris Morin to sixth grade, Mrs. Susan Young to third grade, Mrs. Bonnie Boucher to first grade, and Mrs. Vicki Therrien to Special Education.

As the academic year progressed, students were exposed to a balanced curriculum aligned with state frameworks and supplemented by the arts, enrichment, and cultural and sports programs. Thanks to the efforts of the entire community Auburn Village School can be proud of many accomplishments this year.

Once again, our students performed well on the NHEIAP State Assessment. Students at both the third and sixth grade levels scored above the state averages. We attribute their success in part to the diligent work of our curriculum committees that met regularly to review and revise the curriculum in all academic areas and insure that what we teach is aligned with the state expectations.

Partnerships with a variety of groups were the highlight of the school year. The Auburn Police Department through the D.A.R.E. Program, Notre Dame College through Project Safeguard, and the Boy Scouts of America through Adventure Based Activities and the Outing Club provided our students in grades 5-8 with activities and guidance to help them develop into strong, self- reliant individuals better able to cope with the pressures of our culture. Detective Gary Bartis of the Auburn Police Department deserves special recognition for his dedication to the children of Auburn. He has been instrumental in building a bridge between the youth and the adult community.

The seventh grade class participated in a partnership with the advertising firm Tracy Edwardsof Manchester. Members of the firm visited the school to make presentations and worked with students on location at their offices. Students designed their own advertising campaigns using the techniques learned and were evaluated by their partners at Tracy Edwards. They benefited from an introduction to the real world of work and from their association with adults outside the traditional educational community.

Our Student Council, under the direction of Advisor, Mrs. Kathy Roggenbuck; President, Zach Cross; Vice President, Caitlin Trainor; Secretary, Shannon Hilliard; and Treasurer, Brian Hashem set high goals of providing school and community service and promoting school spirit. They showed us all that they had grown into responsible leaders.

All of our students strive to work to their potential and we are especially proud of Ryan Chabot, Jason Murray, and Kara Verryt who were honored for their academic performance by Johns Hopkins University Talent Search.

In conjunction with the United States Army and with the encouragement of Mrs. Susan Olivier, students at AVS collected and sent supplies to students at a school that had been bombed in Bosnia. Their enthusiasm for giving to others reflects the attitudes of their community.

1997-1998 marked the second and final year of our membership in the Regional Alliance for Mathematics and Science Reform. Teachers attended a summer institute at Tufts University during the first week of July where they participated in numerous workshops designed to help them develop new methods of instruction in the areas of Math and Science. Technical and professional support was available to teachers and administrators throughout the school year, as well as financial support to help us purchase Science supplies and equipment needed to implement the new methodology.

Our PTA continued to support school programs and enrich the lives of the children of Auburn. Their assistance helped to send three teachers to the annual New England League of Middle Schools Conference in Providence, Rhode Island, provided a Cultural Program for the school children, and purchased new mats for the Physical Education Program. Volunteers logged over 2,300 hours of service to the school earning us the distinction of a Blue Ribbon Award for the second consecutive year from the National PTA.

Committees composed of school and community members helped us to maintain a common language and understand each other's needs. The Technology Committee continued to meet in conjunction with the Alliance teachers and develop a long-range plan for the use of technology at

Auburn Village School. The Kindergarten Committee was successful in developing a plan to offer Kindergarten to all the children of Auburn and in receiving state approval for funding. The Facilities Committee studied the space needs of our growing student population and distributed a report at the last District Meeting outlining their conclusions. The Middle School Advisory Council continued to serve as a sounding board for ideas and provide input from a parent's perspective to help us better meet the needs of our young adolescents.

We are proud to announce that with the support of the school staff and community volunteers, sixty students from grades 1-8 participated in Odyssey of the Mind, a program designed to foster creative thinking and problem solving. Twenty-four volunteers from the school and community worked with the students on seven teams in three divisions. At the regional competition held in March 1997, four of the seven teams were selected to move onto the state level competition. Two of the teams received special recognition: Pageant Wagon Division III was awarded the Reatra Fusca Award for demonstrating exceptional creativity in technical and dramatic aspects; Pageant Wagon Division II was awarded an Outstanding OMer for their incredible teamwork while solving the spontaneous problem. Both teams won first place in their division at the state level before traveling to Orlando, Florida to represent the state of New Hampshire in the world competition at Disney World.

Three of these partnerships were honored by the NH Partners in Education, the NH Department of Education, and the Office of the Governor for excellence in partnership programming and "thereby directly improving the education of New Hampshire children and promoting the quality of life in New Hampshire cities and towns." Congratulations to Detective Gary Bartis of the Auburn Police Department, Tracy Edwards Advertising, and Mrs. Susan Olivier for their contributions to the education of our students.

The level of community support and involvement in Auburn combined with the efforts of an excellent teaching staff, a supportive SAU office, a professional maintenance staff, an exemplary food service program, a caring health office, and a concerned, well-informed School Board has a definite impact on student achievement and is instrumental in the success of our students. On June 12, 1998, sixty-four eighth graders graduated from Auburn Village School secure in the knowledge that their future endeavors are supported and encouraged by the entire community. We are proud to have been able to provide them with a well-balanced program and wish them success in their future years as they continue their education in high school and beyond.

School Board Chair's Report 1998

On behalf of the Auburn School Board, it is my pleasure to issue this annual school district report. Over the last year, there have been several changes, yet our Auburn Village School has maintained its excellence in educating our students. The following initiatives especially deserve our attention, and I present them to give the Auburn citizens a brief snapshot of our educational programs.

First, we extend a warm welcome to the new principal, Pam Shepard, who served as our assistant principal from 1996 to 1998. She was joined by a new assistant principal, Steve Tullar. Both Pam and Steve have used their leadership skills to maintain the excellent climate of the Auburn Village School.

Second, our students still score well on the statewide assessment program. Our dedicated teachers deserve much credit for making student learning their highest priority. Each month, the school board is treated to an educational presentation, and we are pleased that these public meetings include increased discussions of an educational nature.

Third, the School Board, with assistance from the SAU administration and building-level administrators, drafted its annual goals. These goals have guided our governance of the Auburn School District. One goal in particular that has demanded our collective efforts involves addressing facility needs of the Auburn Village School. Working with a sub- committee to study a new kindergarten program and a sub-committee to examine facility needs, the Board has drafted two warrant articles for the Annual Meeting. We are seeking input from our community in making decisions regarding these two issues.

In conclusion, many thanks to the entire community for joining us in providing exemplary educational services to our students. On behalf of each member of the Auburn School Board, I offer our appreciation for your active support.

Respectfully submitted,

Joseph Leverone, Chair

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District as of and for the year ended June 30, 1998 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Government Accounting Standards Board Technical Bulletin 98-1, *Disclosures about Year 2000 Issues,* requires disclosure of certain matters regarding the year 2000 issue. Auburn School District has included such disclosures in Note 5-B. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support Auburn School District's disclosures with respect to the year 2000 issue made in Note 5-B. Further we do not provide assurance that Auburn School District is or will be year 2000 ready, that Auburn School District's year 2000 remediation efforts will be successful in whole or in part, or that parties with which Auburn School District does business will be year 2000 ready.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Auburn School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, along with the effects of such adjustments, if any, as might have been determined to be necessary had we been able to examine evidence regarding year 2000 disclosures, as noted above, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District, as of June 30, 1998, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of Auburn School District taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Superintendent's Report
1998

Since July 1, 1998, it has been my pleasure to serve as superintendent of schools for the Auburn School District, a member of School Administrative Unit #15. In that time our Central Office has attempted to foster a meaningful partnership to make decisions in the best interest of students. The strength of our rural setting lies in the power of the democratic process, one that is respectful of each of its participants. With a new superintendent and a new assistant superintendent in SAU #15, we have supported Auburn's established strengths, and we have encouraged a fresh look at what might become possible for the success of Auburn's students. Working with a new principal and a new assistant principal at the Auburn Village School, we have requested the documentation and reporting of tangible evidence of student performance, and a commitment by school board members to direct their major discussions and decision-making practices toward educational changes. In short, we have tried to establish a common framework from which to offer a quality education at an affordable cost to taxpayers. While we still have many challenges ahead, some progress has been made. I offer the following highlights in the spirit of hope that each of our parents, educators, school board members, and the citizens of the larger community will join hands in making use of the powerful human resources in the Auburn School District.

First, the School Board and its administrators participated in a retreat to review the prior year's progress and to set new goals for the 1998-1999 school year. That process served to establish a working relationship from which to conduct our educational business, as well as to create a specific plan and purpose for the school year. We are using these goals to continue Auburn's tradition of delivering first-rate services to our students.

Second, we have developed a budgetary process that is respectful of our taxpayers' ability to appropriate funds, and which provides educational programs respectful of student needs. Through collaboration and inclusion of all participants, we stated educational needs and then made practical and reasonable choices along the process. The exemplary skills of our business administrator and the cooperation of our town's budget committee served us well in that regard.

Third, we are celebrating our teachers, staff, and administrators in their efforts to cultivate an exemplary educational climate for the children of Auburn. We are pleased that our educators and staff deliver educational services with a spirit of equity and respect for each student. In keeping with our goal of improving communication between school and community, we have initiated an educational presentation, facilitated by teachers, at the regular meeting of the School Board. In the midst of challenging times for assessing our students' performances, this school district's employees dedicate themselves, daily, to the welfare of our children. We should not take that for granted. This dedication is consistent with Auburn's continued focus on educational achievement, which has resulted in excellent State assessment scores over the years.

In conclusion, I ask you to become aware that education has never felt a greater need for participatory decision-making. The underlying theme is that all members of the community must be included. From the individual parent who enters our school as a walk-in, to committed school board members, to professional educators, our school system needs positive energy and a prolonged passion for children. As your superintendent of schools, I ask you to continue a worthy process that has sustained the Auburn community in the past.

Notes

Griffin Free Public Library

1998 was a very productive year for the Griffin Library. Circulation increased again, as it has consistently every year and 166 new families were issued library cards. Once again, the summer reading program was well-attended. As were the twice-weekly story times.

We were very fortunate to have a local historian, Mr.. Richard Holmes, work with the Trustees to inventory and catalog the entire museum collection.

We added a part-time employee, whose main focus is to enter all of our books onto a computer database in preparation for complete automation.

Courtesy of the Auburn Police department, we acquired a fax machine, which is available for use by the public.

Perhaps the most important achievement in 1998 was the tremendous strides made by the Building Committee. This group, formed in 1997, has grown significantly and includes many dedicated people working towards the goal of a much needed addition (including indoor plumbing). They have received approval from the state for the septic design and are working on the remainder of the requirements for a building permit. The response from the towns people has been wonderful and many cash donations have been received and also many in-kind donations have been pledged. Fund-raisers held in 1998 include: A St. Patrick's Day dance in March, a yard sale in May, a multi-media & book sale in July, a sports sale in October and, in December, Breakfast with Santa along with a "Furby" raffle.

Friends of the Library

In January, we held three glass workshops, although only one was originally scheduled, three were held to accommodate everyone.

February was 'Love Your Library' month and we held our annual adult and children's raffle. Two $15.00 gift certificates were awarded. They were donated by Speramus Books and could be used at the Booksmith in The Bedford Mall.

Ellie Atherton of Candia was the guest speaker in April. She spoke about the many uses of herbs. She also brought samples of teas and Brownies made with herbs.

In the month of June, we purchased 3 family passes for the SEE (Science Enrichment Encounters) Center in Manchester. We also received a donation of a family pass to America's Stonehenge in Salem. Ian McLeod of The Audubon Center in Auburn gave a lecture on the progress made with bringing back the Osprey. We also purchased an easel for the library.

We held a successful bake sale at the multi-media sale in July.

In September, Mike Zorowowicz talked about raising bees and the many beneficial functions they perform. He provided honey samples that were enjoyed by all.

Our annual skywatch program was held on October 26. As always it was very well attended.

Election of officers was held as follows:

President:	Cathy Sartorelli
Vice President:	Anita Nickulas
Treasurer:	Lee Ann Chase
Co-Secretaries:	Brenda Brunelli
	Virginia Dobelbower

In November, Cindy Berling gave a class in rubber-stamping. We also held our annual fudge sales for Thanksgiving and Christmas.

Receation Commission

A Look Back on the Year - 1998

The year 1998 saw a lot of activity on several fronts. The long range projects for improvements to Sandy Acres Recreation Area and Appletree Park continued. The sub-committee in charge of finding purposeful uses for the 26 acres of additional land adjacent to Sandy Acres Recreation Area continued until August 1998. A community building is still favored. The YMCA has shown an interest in this parcel and discussions are on-going. Early 1999, the YMCA will hold an open session at the Town Hall to present ideas and to receive input from the community.

The Commission was fortunate with the continuance of Albert Samson as representative of the Board of Selectmen.

Sandy Acres Recreation Area had a lot of work done. The area has been leveled, fencing installed, additional bleachers have been received and will be put up in the spring of 1999, and approval was given to supply night lighting of the major baseball field which will free up time for the many organizations using the fields. The poles for the lights are up and the fixtures will be added in the spring of 1999. The fields continue to be improved and maintained by fertilizing, seeding, and adding loam and lime. The possibility of an irrigation system has been discussed.

The Little League held a clean-up day in April - the fields were repaired, raked, and debris removed. One softball field was opened. Volunteers of Little League donated materials, equipment, and labor for the improvement of the area. The tennis court will open in the spring of 1999. Repairs are being made to the playground.

The Commission sponsored a Babe Ruth League, the soccer clinic under the direction of the YMCA, and the Auburn Recreational Basketball League.

Work at Appletree Park as continued this year. The basketball court was crack-sealed in the spring.

Repairs to the playground were made and the park was cleaned up and landscaped.

The After-School Ski Program started January 71, 1998 for five weeks to February 4, 1998, under the volunteer direction of Lucy Rhodes. Students and chaperones were transported by bus from the Auburn Village School to Pat's Peak. Lucy Rhodes will continue the program for 1999.

Contact with P.L.A.Y. has been maintained. The playground saw the beginning of the building of a gazebo which will be finished in the spring of 1999. P.L.A.Y. will continue to oversee the playground. The Audubon Society of NH continued to operate the summer program. The Recreation Commission is not any longer in charge of this program. The Audubon Society has increased the number of weeks as well as the daily number of hours.

The Recreation Commission is sponsoring a program at the Audubon's Massaabesic Center for Auburn residents only on January 23, 1999.

The ice rink was again filled and maintained by the Auburn Volunteer Fire Department. Hours of operation have remained the same as in 1997.

The Senior Citizens went for their spring tour on May 20, 1998, to Massachusetts. The morning was spent in Salem at the House of the Seven Gables and a sightseeing tour through the "Witch" town. The trip continued for lunch to Rockport at the "Peg Leg Inn". Afterwards time was spent shopping.

The fall tour on October 6, 1998, did not go too far from home. In the morning the Frye's Measure Mill in Wilton was visited. This mill has a nationally recognized museum and gift shop on the premises. Lunch was at the Fireside Restaurant in Westford, MA, a restaurant containing the badges of fire stations in all states of the USA as well as fire equipment. After lunch a visit was made to "The Butterfly Place" were hundreds of butterflies dart around. The tour went back to NH, to Exeter, to visit the American Independence Museum, which gave a look into NH's history.

The Recreation Commission is grateful for the support, the volunteers, the donations in materials and equipment, it has received during 1998. The Commission thanks all those who have given so generously of their time and is looking forward to this support in 1999. The Commission sponsors programs and activities for all residents of Auburn. If any of the residents has suggestions or ideas for programs or activities, please contact of the Commissioners. The Commission is there to serve the community. It is always looking for volunteers to coach and lead programs. The Commission meets on the first Wednesday of the month at 7:30 p.m. at the Town Hall. All meetings are open to the public.

Respectfully submitted,
Linda Breault, Chair
Recreation Commission

Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at 7:30 p.m. on the fourth Tuesday of the month at the Town Hall. Requests for a hearing are made to the Zoning Officer (Building Inspector. The Zoning Board is made up of volunteer members and alternates appointed by the Board of Selectmen.

During the year 1998, the Board held nine hearings, dealing with sixteen Variances and two Special Exceptions.

All hearings are open to the public and are posted at the Town hall and the Post Office. They also appear as a Legal Notice in the "Union Leader". The minutes of the hearings as well as the decisions are posted at the Town Hall for public review.

I wish to express sincere appreciation to the members and alternates of the Board for their time and efforts expended on behalf of the Town of Auburn.

Auburn Planning Board

The Auburn Planning Board is responsible for reviewing all new subdivision, site plan proposals, lot line adjustment and consolidation plans, as well as excavation permit renewals and accepting functional analysis reports. Many of the current members have served several consecutive 3 year terms - no easy feat considering the Board generally meets every Wednesday evening making it one of the busiest boards in town. This renewal of commitment has added consistency and experience to the process. There is currently a vacant position on the Board if you feel this is one way you'd like to volunteer to your community.

This year growth has been evident as the Board was presented several major subdivision proposals, some of which are still under review as we enter 1999. Site plan activity seemed to contain itself to the commercial/industrial zones along By-Pass 28, with several vacant lots being developed.

The Board continues its work to update the Subdivision and Site Plan Regulations. This has proved to be a very time consuming project as we try to implement the most current land planning practices while maintaining the rural character Auburn residents enjoy. It is our hope to complete this process with public hearings on the proposed updated regulations by the middle of the year.

Residents are reminded that all Planning Board meetings are open to the public and are held Wednesday evenings beginning at 7:00 p.m. in the Auburn Town Hall. Agendas and meeting minutes are posted outside of the Planning Board Office for public viewing.

Health Officers Report

This past year was another rather busy one for the town of Auburn's Health Officials. The following activities took place:

- Scheduled inspection of Child Day Care Centers for Licensing renewal.
- Investigation of failed septic systems.
- Water quality testing and possible well contamination.
- Investigate and cause of removal of accumulated garbage on properties.
- Investigate complaints of manure odor in close proximity to neighbors.
- Investigate rental housing tenant complaints in conjunction with the Building Inspector per RSA 48-1.

In May and October we attended the NH Health Officer's Association Conferences. The May session topics were Public Health Update; Food Code Regulations Update; Safety Awareness in the Food Environment and its Risks. Also discussed were the Health Officers Role in Drinking Water Protection and the Overall Procedures of Interior Removal of Asbestos. The October session dealt with Conflict Resolutions; Child Care Licensing Rules Update and Food Stamps and Certification of Health Compliance.

The last two years proved very busy for the local Health Office that since this is a voluntary, part-time position the State of NH Department of Health & Human Services suggested the appointment of a Deputy Health Officer to help answer calls while I am at work. With the approval of the Board of Selectmen a deputy was appointed in the person of Carrie Rouleau-Cote. She is familiar with town affairs, as Planning Board secretary and is available to answer daytime calls in my absence. Carrie has already handled a few cases this year; the Bunker Hill well-water contamination problem, the Auburn School "Head Lice" incident and the heating system problem at Tiny tots Day Care.

We would like to take this opportunity to thank everyone for their continued cooperation during our inspection/investigations. This will help Auburn remain a healthy place to live, work and play. Should you have any health related concerns, we may be reached by calling the Board of Selectmen's Office, 483-5052.

Respectfully submitted,

Leo P. Blais, Sr.	Carrie Rouleau-Cote
Health Officer	**Deputy Health Officer**

Animal Control Officer

Dog registrations increased again in 1998 with 825 individual licenses and 14 group licenses. There were hundreds of dog and cat incident calls plus numerous wild life problems such as turkeys, raccoons, skunks, porcupines, fishers, coyote, fox and believe it or not, an emu running loose.

The only positive tested rabies case was on a bat. However, there were other cases in the state and your dogs and cats must be vaccinated against rabies according to state law. This law was written to protect people from rabies when bitten by any animal, including a household pet, which may have came in contact with a rabid animal. In every case this year, all animals reportedly involved in a biting incident, had received their rabies shots. This shows that our town residents are concerned and acting responsibly with their pets. In addition, we hope all residents will call the Auburn Police Department immediately when they encounter animals that are acting strangely.

If you have any questions or concerns, please call me at the Auburn Police Department at 483-2134 during business hours, or 483-2922 after hours.

Respectfully submitted,
JARLENE CORNETT

The Auburn Police Department would like to extend its gratitude to the citizens of Auburn for all the support we have received during the year of 1998. Being a police officer can be very demanding, but the respect and compassion given by the residents of Auburn has made it easy for the members of the police department to continue serving professionally.

In Nineteen Hundred and Ninety Eight there was an increase of more than five percent in the number of calls for service the officers had to handle. This was done with a reduced number of officers due to the new people being in training. That increase resulted in a total of more than 7700 cases in the year.

The police department's policy of zero tolerance for alcohol related incidents were a factor in the increase. Those of you that read the Manchester Union Leader saw quite a few headlines during the summer months indicating multiple arrests of young people for alcohol related offenses. Also, there was a marked increase in the number of Driving While Intoxicated (DWI) arrests. In 1997 there were 26 DWI arrests, and in 1998 during a two month period - October and November- a grant funded by the Mothers Against Drunk Drivers (MADD) produced twenty-one arrests for DWI.

Due to the DWI grants, some Traffic Safety grants, and the diligence of our motor cycle officers; the police department has successfully kept the accident rate low. During the year of 1998 there were only 80 accidents throughout the town, including the ones covered by the New Hampshire State Police on the state roads that pass through town.

There was a drop in the number of violent criminal complaints handled by our officers. However, there was one case that shook the town right down to it's core! A man who ran the day care center at St. Peter's Church on Sunday mornings, while their parents were attending Mass, destroyed ten years of blind trust. The horror that all parents hope their children will never have to face, came to a stark reality in June of 1998. Fifty eight year old Joseph "Leo" Boucher was accused, later admitted, and finally convicted of exposing himself to a number of young children in his care. He is now in jail serving his time.

The police department went through some personnel changes during the year, and there some welcomed additions to our "family". First, we saw Paula Page leave in January after serving reliably for such a long time. Paula decided to marry a nice man and pointed her life in a different direction. The sad departure ended in a great find. The town hired Michelle Dowse to replace Paula. Michelle's proven dedication, and hard work ethic has made her a real asset to the police department. Next, Dona Davis went on pregnancy leave to give birth to a beautiful daughter in February. Without missing a beat, Dona returned to her position in May and continues to keep our books in line. During the time Dona was out, her position was filled with an Auburn resident, Cheryl Peterson. Cheryl had no trouble jumping in and doing a great job to get us through this period. Her personality allowed her to fit in immediately. We thank her very much! In addition to the Davis baby, two or our officer's wives gave birth to wonderful, healthy children. Officer Tardiff's wife Martha, and officer Blanchard's wife Emma get our warm congratulations for the two new "family" members.

Two part time officer vacancies were filled with Rick Langlois, and Jerome Blanchard. They have completed the part timers academy and are now receiving their field training. The officers will be seeing their patrol duties soon.

The demands of police work were mentioned earlier, and those demands did result in having one officer take a leave of absence. As a part time officer, Tim King Shined! The complexity of his daily responsibilities has forced him to put police work on hold for a while. We miss Time and his infectious laugh, we hope he returns soon to the Auburn Police Department.

Our members enjoy serving the town of Auburn and its citizens, we hope your contact with us has been a positive one, and a professional one. We are aware that police officers can create uneasiness and unpleasant feelings. Hopefully those feelings are in the minority. Our professionalism has been noted in the rapport we maintain with the New Hampshire State Police, and the towns that border Auburn. This rapport helps us in the way we perform our duties and service the residents of Auburn. This will continue in 1999.

Auburn Police Commission

The Auburn Police Commission has been in existence since 1964, but simply as an advisory body subject to final approval of all decisions by the Board of Selectmen. In 1996 the voters of the town approved an Article to establish the Police Commission under the State Law, and in 1997 they selected the members. By being established in accordance with the State Law, the Commission is an autonomous body, able to make final decisions relating to the Police department with the exception of the annual budget which is still governed by the Board of Selectmen, the Budget Committee, and the voters of the Town. The RSA 105-C, establishing the Police Commission gives the Duties and Powers as follows:

It shall be the duty of the police commission to appoint such personnel, including police officers, staff, constables and superior officers, as they deem necessary and to fix such persons' compensation. The commissioners shall make and enforce all rules necessary for the operation of the police force in the manner most beneficial to the public interest.

The Commission meets the first Tuesday of each month in the Town Hall at 7:00 p.m., and the public is invited to attend. The agenda includes reviewing all bills, purchase orders, correspondence, reports from the Chief and Sergeant, and any matters that are important to the functioning of the Department. The budget is reviewed each month, and in the fall the proposed budget for the coming year is prepared. Financial matters of the Department are a major item for the Commission. The hiring of new personnel, both sworn and office workers, are another area of involvement. The selection process is done in close cooperation of the chief and other officers, and the training of each newcomer to law enforcement is closely monitored. There is constant concern to have the most suitable and highly trained personnel in our department, a standard adhered to very closely. The Commission is very proud of the present personnel in their performance of their duties. Each Commission member is in constant close contact with the Department personnel, seeing firsthand the functioning, and involved with important decision-making with the administrative personnel.

The following are some of the major actions and accomplishments of the : Police Commission as it fulfills its civilian oversight of the Department: It must be said at the outset that the majority of important actions are the result of the Chief and Sergeant recommendations as they seek to have the members of Department carry out their law enforcement duties.

- The bicycle patrol was established, enabling the officers to be in direct contact with persons, and able to negotiate pathways and areas not accessible to the patrol cars. It has proven to be a real deterrent to house break ins in our town.
- The Chief, Sergeant and Commission meet periodically with the Board of Selectmen to share in mutual concerns, and to inform each other of any matters of common interest.
- The Rules and Regulations governing the duties have been updated, approved by the Commission and are in effect. Parallel to those is the new Personnel Policy developed by the Commission, recommended by the administration and personnel, and officially in effect.
- Record-keeping is very important. The Department applied for a grant to secure a new, up-to-date computer system, and it was approved. The new system is now installed and in use, and all personnel have been trained in its use.
- Lieutenant Donald Eaton, a retiree from the NH State Police, who had been with us for five and one half years, died suddenly of a heart attach, creating a tremendous loss to our Department. Our personnel were greatly involved in the funeral arrangements, and assuring Don's wife Debbie of our support for her. It as a very traumatic experience for everyone involved, but by pulling together, we have maintained and fulfilled our responsibilities, and the department is functioning smoothly.
- We established the new positions of Sergeant and Detective and promoted Officer David Flight to Sergeant, and Officer Gary Bartis to Detective. Thus our chain of command is quite complete.
- Established the position of Master Patrolman to recognize superior work and leadership by an officer, and promoted Officer Michael McGillan to that position.
- The Department was approached by Mrs. Pat Foskitt to have a DARE car in conjunction with the drug awareness and prevention program in our school, and she was given full support. The result was an automobile donated by the Foskitt family, and many donations of work and money from many sources, and we now have DARE car in the department, at no expense to the tax payer.
- Members of the department and Commission were involved in two major police funerals. One in Colebrook, and one in Henniker. They were very sobering reminders of the risks our Department Officers take every day and night as they protect us.
- The Commission is directly involved in the selection, approval and swearing in of new personnel. In recent months we have taken on several new officer candidates, watched their development and training, and have had the privilege of swearing them in. We now have a full complement of personnel.
- Members of the Commission and the Chief are very active in coming forth with the proposal for a new Safety Complex. The building as currently proposed is badly needed by both the Police Department and the Fire

department, and it is our hope that the voters of the town will approve the proposal.

- One important function of the department is the apprehension of drivers under the influence of alcohol and/or drugs. Our Department has had rants from the Highway Safety Fund to cover special patrols just for that purpose, but this year the state funds were insufficient to assist our Department. Under the direction of Chief Picard, application was made to Mothers Against Drunk Driving (MADD) for a grant for this purpose. This organization studied our patrols and agreed, thus giving us a grant of $3,000 for this purpose. It was instrumental in apprehending some 20 DWI drivers, with a conviction in most cases. One important note is this: This is the first time, and the first Police Department ever, anywhere, such a grant has been given by MADD. We hope it has set a pattern for the future.

This list covers some of the most important matters acted upon by the Commission, and we hope it gives a clear picture of the work involved. We, the members of the Commission, are pleased to be involved with the Auburn Police Department, and promise our very best efforts to aid and implement the law enforcement activities they undertake. Remember, the members are elected, one each year, by the voters, and we hope you will take very seriously your choice each year at the polls.

Hubert J. Topliff, Chairman
Aldis "Skip" Christie, Vice Chairman
Mark Gosselin, Secretary

Highway Safety Committee

The committee was pleased that Al Samson, representative of the Board of Selectmen, would continue for the year 1998, assuring continuity in the projects recommended.

The committee continued a challenging and successful year of accomplishments. It stayed involved in the proceedings of projects falling under the Warrant Article for Road Reconstruction and Repairs. It recommended to the Board of Selectmen the projects for the year 1999, if the warrant article is approved again. The funds for the years 1997 and 1998 have been spent for projects committed or in progress.

Bunker Hill Road has been reconstructed for a large part and the rest of the road has been upgraded and improved, to bring the whole road up to modern engineering standards.

The Pingree Hill Road Bridge, in 1997, had been declared unsafe by the State Department of Transportation and was replaced in July/August of this year.

Line striping of the recommended roads was done during the fall and roads in need of crack-sealing were recommended to the Board of Selectmen.

The new boat launch next to the Fair Haven Baptist Church is almost completed. The Manchester Water Works did the removal of the trees to supply ample parking space for cars and trailers and a turn around making it a safe place traffic wise. The Manchester Water Works has constructed the boat ramps and the Town of Auburn will supply the gravel to finish the project which will open in the spring/summer of 1999.

A number of letters requesting traffic signs, a town line sign, and speed limit signs have been received and recommendations were made to the Board of Selectmen when these signs were warranted.

The New Hampshire Municipal Association forwarded a statement that in compliance with RSA 231:92a of the Municipal Liability Law, the town had to develop and operate its snow removal in accordance with a written policy. The Committee reviewed the topics to be considered in the policy and made its recommendations.

The parking/standing situation at Eaton Hill Road Extension was brought up a couple of times. Parking is allowed on one side of the road only, but cars are continuously parked/stand on both sides making it hard for the school buses to get through. The police department has surveyed the situation and improvements were made. Also parents have been notified at the beginning of the school year that only parking/standing is allowed on one side of the road.

The Highway Safety Committee meets on the third Wednesday of each month at 71:30 p.m. at the Town Hall. The meetings are open to the public. Auburn residents with concerns for the road safety, street or road signs and road hazards may appear before the Committee or may make their concerns known in writing for discussion at the next meeting.

The Committee is looking forward to an active year in 1999 with many improvements for safety.

The Committee thanks the citizens of the town who brought forward their concerns and so made Auburn a safer and better place for all.

David Flight, Chair

Auburn Volunteer Fire Department

In an effort to increase participation, and reward the families of the fire fighters, a new stipend program was established this year. Fire fighters are required to meet 80% of department-mandated details, training, meetings & maintenance projects. This has enabled the management of the department to better maintain its apparatus & buildings. 75% of all maintenance performed is done in house and by the membership. Our training has increased; making our fire fighters some of the best trained in the area. 83% are certified fire fighters; 81% are certified in emergency medical and 76% in hazardous materials. Meetings and details keep the department going and keep the communication link open. The fire department operates as a paramilitary form and the administration reports directly to the Board of Selectmen.

The 1998 year has ended with an increase of 13% in call volume and over 9,000 hours of logged time by the membership of the fire department.

Once again the firemen's association was very active with public relations and fund-raisers. This year's efforts have aided the fire department with off-setting the cost of putting together a surplus military army truck. This truck is used for off road fires where the larger, more expensive apparatus can't go. The cost of this conversion is around $8,900, of which $5,000 is coming from the Firemen's Association and $1,750 from a federal grant. The truck is setup with a high-pressure pump and designed to pump and roll.

Through modest donations from local business, fire fighters were able to distribute smoke alarms, carbon monoxide detectors, fire extinguishers and escape ladders at its annual fire prevention open house. These local businesses recognize the need for fire safety and deserve your support.

95% of the fire department is made up of Auburn Town residents, which goes to show why we take so much pride in our department, equipment and apparatus. So, come down any Sunday morning and see why, we are always striving to do our best and keep costs down, therefore providing clean, dependable service at a reasonable cost.

BRUCE PHILLIPS

Report of
Town Forest Fire Warden & State Forest Ranger

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Report of Rockingham Community Action

Rockingham Community Action (RCA) is a private, non-profit corporation. Our mission is to serve the multitude of needs of Rockingham County's low -income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty and seeking to eradicate the root causes of poverty. RCA has been addressing these needs for over thirty years.

Greater Salem Community Action Center is an outreach office of RCA that services residents of Auburn and 11 other communities, and as such acts as Auburn's central resource for information regarding all available human services. RCA also offers intake clinic and distribution sites in over half of the county's thirty-seven communities for the application and provision of various Community Action services.

Community Action provides a wide range of services that are unduplicated elsewhere in the county. Many of our services meet immediate, critical needs, while others are designed to help families achieve long-term economic self-sufficiency. The following services were provided by Community Action to eligible residents of Auburn from July 1, 1997 through June 30, 1998.

27 households received one of a group of Fuel Assistance Programs, services that provide financial grants of up to $750 to income eligible households to assist with energy-related expenses through the Fuel Assistance Program (some households also receive furnace cleaning and budget and energy counseling services), and grants of up to $250 for fuel and utility emergencies for households not eligible for the Fuel Assistance Program through the Neighbor Helping Neighbor and the Senior Energy Assistance Service.

6 homes were weatherized or rehabilitated through the Weatherization or Energy Management Services Programs, which provide high quality energy conservation materials and skilled labor to weatherize homes of income-eligible and high energy using households in order to reduce heating costs and conserve energy, and provides major repairs or replacement of heating systems for low income homeowners, and through the HOME Program, which provides major rehabilitation of single-family, owner-occupied homes, emphasizing health safety related repairs, including water and septic systems, structural, roofing, electrical and heating system work.

13 children and day care providers participated in the Family Day Care Program, which provides services to family day care providers, including training, technical assistance and sponsorship of the USDA Child and Adult Care Food Program.

12 child care referrals were arranged through the Child Care Resource and Referral Program, which compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public and expands the supply of quality child care by recruiting, training and assisting new child care providers, including the training of TANF participants.

8 hours of service were provided through Accompanied Transportation Program, which provides transportation and protective child care to support and stabilize families at risk of child abuse.

31 individuals received help through the WIC or Commodity Supplemental Food Programs: WIC provides supplemental nutritious foods, nutrition education, breast-feeding support and health care screening/referrals to pregnant women, nursing mothers, infants and children up to the age of five; the Commodity Supplemental Food Program provides monthly allotments of commodity foods and nutrition education materials to senior citizens, postpartum women and 5 year old children.

16 individuals received Literacy services, which provide high quality books and other literacy services to low-income pre-school children and their families through the library-based Gift of Reading book distribution program, and adult education services through the Portsmouth Adult Education Program.

39 individual food allotments were provided through the Emergency Food Assistance Program, which distributes USDA surplus food to emergency food pantries, soup kitchens and homeless shelters throughout Rockingham County.

5 household food allotments were provided through the Emergency Food pantry, which provides temporary emergency supplies of non-perishable food to households facing severe economic hardship in areas in which other locally-based emergency food pantries are understocked or unavailable.

1 household received Crisis Services, programs that provide emergency grants to income eligible households for the payment of rent, mortgage, electricity, fuel or other basic necessities for those facing evictions, forclosures, utility terminations, lack of fuel or other emergencies.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we logged 49 calls or visits from Auburn residents, many of which were crisis calls involving evictions or foreclosures, fuel or utility problems, the lack of food or clothing, or general financial needs. By working closely together with local and state welfare administrators, landlords and mortgage lenders, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

The services provided by our staff, together with the programs provided by our agency, have a direct and significant effect on Auburn's welfare budget. If our services were decreased due to lack of funding, the town would experience a resulting increase in requests for local welfare assistance.

Since the services we provide greatly relieve the towns we serve of the full financial burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 5 1/4% of the total dollar value of services we provided during the previous fiscal year, which means that we request $5.25 for every $100.00 we provided in direct services.

From July 1, 1997 through June 30, 1998, Community Action provided $62,116.00 in services to Auburn residents. We are therefore requesting the Town of Auburn to contribute 5 1/4% of this amount, or $3,261. The Town of Auburn has contributed to our agency for many years and we extend our appreciation to you for your continued support.

Respectfully submitted,

CONNIE YOUNG, OUTREACH CENTER DIRECTOR

Report of The Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help the dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of your appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local or site -specific projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of your Planning Board and Board of Selectmen. The commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps your officials apprised of changes in planning and land use regulation, and offers training workshops for Planning and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Co-sponsored the Municipal Law Lecture series. These meetings were attended by Town representatives.

2. Conducted traffic counts at eight locations in the Town of Auburn. Data was forwarded to the Chair of the Planning Board

3. The Regional Transportation Plan and the Transportation Improvement Program FY 1999-2001 have been prepared. Copies were forwarded to the Planning Board and the Public Library.

4. Provided a video entitled "RSA 155-E: Earth Excavations" for the use of the Planning Board.

5. Provided suggested amendments to the Town's Subdivision and Site Plan Regulations in an effort to implement the Erosion and Sediment Control provisions of the Model Regulation.

6. Updated the Town's road base map and prepared the zoning map.

Auburn's Representatives to the Commission are:
Charles "Stoney" Worster
Vacant
Donald Marzloff, Alternate

Executive Committee Member: Charles "Stoney" Worster
